Hello Sarah,

Thanks for the information. Just to clarify, CARE+ will not service homeless encampments after the end of the cycle since they are not posting and the only resource we will have will be CARE and they will spot clean.

Thanks,

Cristian,

As you know are instructions are to spot clean locations during the Covid-19 outbreak and we are no longer posting locations. Below are the remaining CARE+ locations for this cycle. I will update you about our operations as more information becomes available.
